

Bowler of the year awards

The following point system will be used to select the bowler of the year, senior bowler of the year and the Association All Star Teams. Although there are many ways that this process can be done, there has to be a set of guidelines which obtain the fairest way of selecting the bowlers. These guidelines have been set up and adopted by the Central Arkansas USBC Bowling association and will be used in the selection process. Only scores bowled during the current Fall Season Leagues (sanctioned with the CAUSBCBA) and current year Association events will be considered for this award. Scores for this award will cut off March 31st of the current bowling season to allow for the calculation and ordering of the award.

Scores ***MUST*** be turned in by your league secretary prior to the March 31st cut off date to be considered. It is the bowler's and the league secretary's responsibility to ensure that the scores are turned in within 7 days of the date bowled.

Your feedback is welcomed at any of our association meetings. Dates can be found at

Thanks and good luck
