NEW BUSINESS

Robbie asked the board to consider whether or not we would want to raise our year book ad fees to \$20, The board was of the opinion that \$15 was sufficient. No action was taken.

Robbie also asked if the board wanted to raise our sanction fees by \$1.00 to take care of the state Sanction fees. It was the opinion of the board that since our financial position was favorable, that we continue to pay the state fee without raising our sanction fees.

During our annual tournament, Robbie reported that Gordon Childers said that he did not wish to be considered for the Bowler of the Year award. After much discussion, the opinion of the board was that this award has always been given to the bowler who had the best season and we should not change our criteria and give the award to the second best record which would defeat the purpose. After more discussion, Grady Hopf made a motion seconded by Charley Crittenden that we continue our present policy on selecting the Bowler of the year. **MOTION CARRIED.**

Motion to adjourn was made by Grady Hopf seconded by Arbelles Hardin Motion Carried
